

LIFETIME BENEFACTORS

We are grateful to the following donors whose extraordinary generosity has built and transformed the Garden. Their gifts totaling \$1,000,000 or more have created beautiful landscapes, well-respected academic and research programs, and have established the Garden as an international center for plant science.

THE SCIENCE INITIATIVE

Plant conservation research and education are at the heart of the Science Initiative. The Daniel F. and Ada L. Rice Plant Conservation Science Center provides Chicago Botanic Garden scientists with more tools to address the environmental challenges we face today and trains those who assume that responsibility in the future. The following individuals, corporations, foundations, and government agencies have generously supported the Science Initiative with gifts of \$1,000 or more through December 31, 2010.
